

ARREST TRAINMEN FOR LOSS OF LIFE

Warrants for Four Involved in
the Recent Wreck at Au-
burn, N. C.

CORONER CANNOT BAIL THEM

Will, However, Apply to Judge
and Give Bond—Raleigh to
Have an Auditorium.

RALEIGH, N. C., August 20.—Coroner Sparks this morning issued warrants for the arrest of the four employees of the Southern Railway Company who were responsible for the terrible collision of freight and passenger trains at Auburn, near Raleigh, on the evening of August 6. They are Engineer W. W. Rippey and Conductor C. M. Oakley, of the passenger train, for criminal negligence in forgetting their orders to meet the freight at Auburn and running by that station, and Chief Train Dispatcher B. P. Ketchum and Operator Parvin of Durham, for negligence in not observing the rule to use the middle order system, so that the signal board at Auburn would have shown a red light, indicating a wait for another train in the block.

The warrants charge manslaughter for the reason that the collision caused the death of Engineer W. E. Parker and Fireman Robert Young, of the freight train, and Fireman Bethel, of the passenger train. The warrant for Conductor Oakley was sent to the sheriff of Guilford county to be served at Greensboro, and the warrant for Engineer Rippey to Burlington, to be served on him at his home there. The warrants for Chief Train Dispatcher Ketchum and Operator Parvin were sent to Durham, their headquarters being there.

It seems that when the arrests are made the coroner will not have right to bail the prisoners, despite the fact that manslaughter being a bailable offense, the parties will be entitled to bail. The program, therefore, is for the arrests to be made and the parties brought here on a morning train so that they will have time to take out writs of habeas corpus during the day before some judge can give the necessary writs. It is all will certainly be able to do. This will probably be to-morrow or the day following. These prosecutions are under the act of the last Legislature, making trainmen criminally responsible for accidents due to their negligence. Much sympathy is expressed, especially for Engineer Rippey and Conductor Oakley, on whom the special burden of the offense rests.

To Have Auditorium.

The Raleigh Aldermen last night received a committee of the Chamber of Commerce in effect protesting against the proposition to tear away the present municipal building and erect on the site a combination municipal building and auditorium, the project being to have an auditorium that will seat 2,500 people. The Chamber of Commerce wants a separate auditorium provided that will seat at least 5,000. The result of the conference was that the Chamber of Commerce committee withdrew without having accomplished anything, and the Aldermen will proceed to advertising for the erection to be held in September for the \$100,000 bonds for the project for the new municipal building and auditorium. It is admitted that many members of the Chamber of Commerce will oppose the project.

Personal Notes.

Dr. B. F. Dixon, State Auditor, leaves to-morrow for Vadesboro to deliver the address for a reunion of Confederate Veterans at Vadesboro, the reunion being for Anson county.

State Superintendent of Public Instruction J. Y. Joyner has gone to Pamlico county to deliver educational addresses at Maysville, Newkirk, and that county Friday and Saturday.

The Ridgeway Cotton Mills, of Newton, was chartered to-day, with \$100,000 capital authorized and \$21,000 subscribed, by H. F. Smith, M. L. Seiser and others, for operating cotton mills.

Another charter is for the Henderson Manufacturing Company, for the manufacture of carriages, buggies and other vehicles. The capital is \$250,000 authorized and \$10,000 subscribed, by J. C. Corbitt, R. B. Powell and others.

GOT DRINKS FROM MAN IN THE MASK

A Mysterious Negro Disposes
Dram for Nearly a Week
Before Being Caught.

DURHAM, N. C., August 20.—During the past week in Durham the courts have had a rather singular criminal to attract their attention without detection until yesterday. This individual has broken the record when it comes to selling whiskey illegally. Most every day some one would be out on the witness stands in the different courts and placed under oath to tell where they had been purchasing whiskey, and they would continually answer that they had bought it from a man in the mask. The man in the mask for a time was a most mysterious criminal. He would sell whiskey with his mask on, and then would completely change his appearance by pulling the mask from his face.

The game was very successful until the defendant became entirely too bold, and the officers learned his playgrounds. Officer Pleasant caught him red-handed Sunday morning. In the trial before Judge J. E. Owens, the

defendant was found guilty and sentenced to the State Prison for one year.

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of **Mother's Friend**, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. SPECIALIST PRESCRIBES CUTICURA

A Famous French Specialist on Diseases of the Skin Prescribes Cuticura as the Most Effective Remedy Known to Him, Charging as His Fee 100 Francs (\$20).

ALSO PRESCRIBED IN HOSPITAL SAINT LOUIS

"Gentlemen: You may be pleased to learn that a patient suffering from an irritation of the skin, caused by motor-boat, on consulting a noted physician in Paris, for which a fee of one hundred francs (twenty dollars) was charged, was advised to use Cuticura, which advice, although received with astonishment, was followed, and resulted in a perfect cure. (Signed) Lewis Gower, 1123 Broadway, New York, U. S. A., December 10, 1906."

French physicians, particularly those making a specialty of the treatment of skin diseases, have for many years regarded Cuticura as a specific and have prescribed it freely. It enjoys the rare distinction of being prescribed in the Hospital Saint Louis, one of the largest and most famous hospitals in the world devoted exclusively to the treatment of diseases of the skin.

Mother Of Ten Always Kept Cuticura Ready for Children's Skin and Scalp Troubles.

"I wish to add my voice to the praise of Cuticura Remedies. I am the mother of ten children, whose mother I am. In our homes in England and America, she kept in her little medicine chest, always on hand, and often used to use the Cuticura Remedies, and they brought the best of results in children's skin and scalp troubles. These children are all grown and scattered and I cannot recall any specific cases of cure, but I do know that I have spent remarkably little in doctors' fees. George W. Hughes, 62 N. Clark St., Chicago, Ill., Oct. 25, 1906."

Complete External and Internal Treatment for Every Kind of Itch, Eruptions, and Skin Diseases. Cuticura Ointment (50c) to Heal the Skin, and Cuticura Tablets (50c), for the cure of the blood. Sold through the world. Potter Drug & Chem. Corp., New York, N. Y.

defendant, Will Payne, was placed under a \$200 bond and remanded to jail.

BREWING COMPANY AGENT UP ON GRAVE CHARGE

(Special to The Times-Dispatch.)
SALISBURY, N. C., August 20.—Robert E. Taylor, manager of the Robert Taylor Brewing Company at Salisbury, was jailed here to-day on the charge of a shortage of \$500 in his accounts. He was given a preliminary hearing before a Justice of the Peace and bound over to court in default of a bond of \$500.

YOUNG MAN DIES SUDDENLY WHILE SITTING IN CHAIR.

(Special to The Times-Dispatch.)
FAYETTEVILLE, N. C., August 20.—Herbert McDonald, son of the late D. McDonald, died suddenly while sitting in his chair at the home of his mother, Russell and Gellie Streets, in this city to-night at 8 o'clock. Heart disease was supposed to be the cause. The young man was in his usual health up to the time of his death.

Companies Pool Holdings. (Special to The Times-Dispatch.)

FAYETTEVILLE, N. C., August 20.—Hope Mills Manufacturing Company, operating four cotton factories at Hope Mills, in this county, has pooled its holdings with the Aberfoyle Manufacturing Company, of Philadelphia, and Chester, Pa. The capital of the new company is \$1,500,000. The capital of the Hope Mills company was \$312,000 common and \$150,000 preferred stock, with a bonded debt of \$100,000.

Negro Charged for Assault.

ASHEVILLE, N. C., August 20.—James Rucker (negro) was charged here in jail shortly after noon to-day. Rucker was convicted of criminal assault on his stepdaughter. It is said that this is the first time in the history of this State that a negro has been hanged for such a crime against one of his own race.

REV. MR. CARTER ACCEPTS. To Become Rector of Grace Memorial Church, Lynchburg.

(Special to The Times-Dispatch.)
LYNCHBURG, VA., August 20.—Rev. Edwin R. Carter, of Boydton, who was recently tendered a call to become rector of Grace Memorial Episcopal Church, of this city, has communicated his formal acceptance of the call to the committee of the vestry, which extended it. Mr. Carter advises the committee that he will be unable to take up his new duties before October 1st, but will do so then.

DIES AS RESULT OF INJURIES IN EXPLOSION

(Special to The Times-Dispatch.)
LYNCHBURG, VA., August 20.—Glenn A. Henson, aged nineteen, a son of Mr. H. A. Henson, of Amherst county, died early this morning at the Hyacinth Hospital from injuries received in the explosion of dynamite on the Tidewater Railway, several days ago. The young man was brought to the hospital yesterday, but he did not survive his injuries many hours after being admitted to the institution.

CONGREGATION SPLIT. Fifth Street Church (Colored) Loses Many Members.

The congregation of the Fifth Street Baptist Church (colored) split Monday night, when 302 members asked for their dismissal, requesting that they be allowed to leave the church and organize a new church. The new congregation will probably call the Rev. Edwards as the deposed pastor of the Fifth Street Church, to their pulpit.

CARL HUGO ARNAL ANSWERS LAST CALL

Well Known Citizen of New-
port News Dies After
Long Illness

DECORATED FOR GALLANTRY

Served With Distinction in Ger-
man Army and Honored,
by the Emperor.

NEWPORT NEWS, VA., August 20.—Carl Hugo Arnal, of this city, died this morning at 6:15 o'clock after a lingering illness. For several months he had been in bad health, and last Friday his condition took a turn for the worse and he did not rally again.

Mr. Arnal, who was fifty-five years old, was agent here for the Chesapeake and Ohio Coal and Coke Company, and was consul for Cuba, Venezuela and Nicaragua. He was vice-consul for Denmark and Norway and consular agent for Belgium and Italy. He is survived by a widow and one child, a daughter nine years old.

Coming to this country in 1888, Mr. Arnal became associated with William Lamb & Co., of Norfolk, with whom he was connected until he removed to this city nine years ago. For some time he served the Norfolk firm as agent in South American Company. He married Miss Minnie Kline, of Norfolk.

Mr. Arnal's French ancestors were driven from home during the Huguenot troubles, and Germany became the family's abiding place. During the Franco-Prussian War Carl Hugo served with distinction as an officer, and was decorated by the Emperor for gallantry.

The body will remain at the Willoughby Beach cottage until arrangements for the funeral can be made. It is the desire of the family to take no steps until it can be learned whether or not the deceased left a will. In case there is a will it is expected that there will be directions as to the disposition to be made of the body.

TWELVE WITNESSES FOR INVESTIGATION

(Continued from First Page.)

Ellison, Benjamin Taliferro and Jesse A. Ladd, of Nelson & Ladd.

The expert witnesses, to appear for the people are Post-Office Inspector Bulfinch, E. R. Taylor, manager of the Robert Taylor Brewing Company at Salisbury, Auditor Warren, or his assistant.

It is known, however, that there are other witnesses on the reserve list, who may be called to the stand. There was a report yesterday that an inmate from the City House would be produced, and that he would give the name of the man whom he had seen in the act of opening the bids. It was said last night on authority that there was absolutely nothing in this.

Mystery of the Envelopes.

Most interest, of course, surrounds the envelopes in which the bids were submitted, which have been sealed and carefully guarded in the City Hall for more than a month. They will undoubtedly be opened to-day, and the seals had been broken, carelessly and clumsily. Proof or denial of this charge will be given by the experts. So far as any alterations are concerned, about the only phase of that matter which has been investigated is the fact that one bid was sent in in typewritten form, the figure at which the contractor offered to furnish the wood being inserted with a pen. The investigation, however, will hinge upon the condition of the envelopes, which, for instance, was sealed like the others, but across the envelope was written a statement that it was a bid for wood, the amount being there for anybody to read. That envelope was not broken.

Finger Prints Damaging.

It is known that the mystery may be solved by the imprint of a man's thumb, which is plainly discernible on the maulage, under the flap. Whether the committee will prosecute the search on this alone is to be determined later on. There are no details connected with the alleged scandal which a representative of The Times-Dispatch has picked up from time to time, and it is just as well that they should not be made public from official sources. It may be said, however, without doing violence to any credence, that whatever verdict may be returned by the committee, the evidence will be sensational, if not startling. No one bid was lower than the others, two being the same, and one of these was written on a typewriter and the figure filled in with black ink.

May Not Order Delay.

While the committee has been called to meet this afternoon at 3:30 o'clock, some effort may be made to defer the investigation, in that the chairman, Mr. Gustus, does not return to the city. It was said at Mr. Gustus's residence last night that he was expected home to-day. It will be impossible, however, to secure a full attendance at all of the meetings, as there is a general desire to clear up the matter at the earliest practicable time, it is doubtful if any delay will be granted, especially as the witnesses will be present, ready to answer questions.

Superintendent Davis has been especially anxious for immediate consideration, and he has not lost an opportunity to declare that he urgently demands a public hearing.

Much Ground to Cover.

One session of the committee may not be sufficient for the examination of all witnesses, and if the investigation is continued, it will be the second session will be called within the next few days, at the convenience of the members. If the reserve witnesses are asked to explain certain features of the inquiry the hearing may be divided for several days, as the inspection of the envelopes alone may require at least an hour.

The Committee on Relief of the Poor is composed of the following members: From the Board of Aldermen—T. H. Elliott, Mark Gunst, John L. Satterfield, C. D. Larus.

From the Common Council—J. A. Hobson, E. W. Miner, E. G. Williams, John B. Biley, C. R. Withshire and Graham B. Hobson.

CONGREGATION SPLIT.

The congregation of the Fifth Street Baptist Church (colored) split Monday night, when 302 members asked for their dismissal, requesting that they be allowed to leave the church and organize a new church. The new congregation will probably call the Rev. Edwards as the deposed pastor of the Fifth Street Church, to their pulpit.

CULVER NAVAL BOYS STOP HERE

(Continued from First Page.)

The famous old Southern air. It was explained that more than half of the cadets were from Southern States, thirty of the boys in line being from Atlanta.

Elaborate Trip.

No expense has been spared to make the trip the experience of a lifetime to the boys. The quartermaster of the school, Mr. Hand, said that in round numbers, the trip would cost not less than \$25,000. The party left Culver, in Southern Indiana, Monday morning, taking dinner that evening in Cincinnati.

A stop was made for breakfast Tuesday morning at the White Sulphur Springs, W. Va., where the whole cadet corps were served in the big hotel dining-room. A string of ten Pullmans, with a baggage car, made up the special train in which the party is traveling. Another special train came on a few hours ahead, carrying the camp equipment, guns, artillery and forty-eight seal black horses of the Black Horse troop. The boys expected to find their camp already for them or the West Point camp grounds at the exposition, and were due to reach camp shortly after midnight.

Sunday evening they plan to break camp and go on to Washington by boat, and thence home by another route, spending a day at Annapolis, and reaching home just before the school disbands for the summer term on August 31.

This is said to be the most elaborate and expensive trip ever attempted by a private school, and certainly no efforts are being spared to make it a success. With the party are Commander T. H. Gignilliat, United States Navy, brother of the commandant, who has charge of the naval manoeuvres.

Major Gignilliat is a Virginia Military Institute man, and said last night that the military work at Culver is second only to that of the United States Army. He is Mr. and Mrs. E. R. Culver, of St. Louis. Mr. Culver is the chairman of the board of trustees. Mrs. L. R. Gignilliat, wife of the commandant, is also in the party. Other ladies in the party are Miss Wimer, Mrs. Hand, Mrs. Hunt, Mrs. Moore and Miss Stuart, with the two children of Commander Gignilliat. Mrs. Gignilliat is the daughter of Colonel A. F. Fleet, the superintendent of the school. Colonel Fleet, who is a Virginian and a graduate of the University of Virginia, and who has many Virginia relatives and friends, is not with the party. He is taking a much needed rest at a summer place in Michigan.

Culver Day.

The personnel of the school is of the highest character, the boys being gentlemen, and in many cases the sons of men of prominence. Among the privates in the line were W. J. Bryan, Jr., Billy Sunday, Jr., son of the famous evangelist, Sydney Brady, son of Cyrus Townsend Brady, and Cadet Howell, a son of Editor Clark Howell, of Georgia. There are also in the corps sons of Brigadier-General Young, of Vice-President Hendrick, of the Santa Fe, and of General Manager Kinnear, of the Michigan Central.

The exposition authorities have set aside Thursday, August 22, as Culver Day, and the cadet corps will give on this day complete drills in infantry, cavalry, artillery and naval work. For several days the Government has loaned ten navy cutters. The orator of the day at the Culver celebration will be Hon. George Edmund Foss, chairman of the House Committee on Naval Affairs. Eight or nine members of this committee will be present to witness the naval drill of the cadets.

Admiral Harrington, the head of naval affairs at the exposition, has taken the greatest interest in the visit of the cadets, and will take the boys to the battleship, giving them the use of government tugs for their trips about Hampton Roads.

Post Cards Mailed.

Culver Military Academy was founded but six years since, and has achieved in that time a marvelous success. While Mr. Culver and other members of the board have materially assisted with the construction, the school is not endowed, but its large attendance has made it a most prosperous institution, with an equipment second to none. Major Adams, of the United States Army, is stationed at the school, in charge of the military work, and there is upwards of \$10,000 worth of United States government property in the way of guns and equipment, at Culver.

Major Gignilliat and Mr. Culver were full of praise for the hospitality of Richmond, complimenting Mr. Fry, of the Jefferson, and the railroad officials on the attention being paid to them. Adjutant-General Anderson, of Virginia, met the cadets in the station and welcomed them informally. General Anderson expressed his surprise and admiration at the fresh, military looking appearance of the boys, after two days and nights of travel, and having materially assisted with the construction, the school is not endowed, but its large attendance has made it a most prosperous institution, with an equipment second to none. Major Adams, of the United States Army, is stationed at the school, in charge of the military work, and there is upwards of \$10,000 worth of United States government property in the way of guns and equipment, at Culver.
